Installing the Barrel Facade

This chapter explains how to install the Fusion Music System Barrel Facade.

Topics

Prerequisites

Installing the Fusion Music System Barrel Facade

Prerequisites

Before installing the Fusion Music System Barrel Facade, you must have already performed the following procedures according to the *Fusion Music System Installation and Setup Guide* (P/N 901095-001):

- Moving the Fusion Music System to its Mounting Location
- Unpacking the Fusion Music System
- Wall-Mounting the Fusion Music System
- Installing the Modular Hardware Platform
- Installing the Hard Drive

In addition, the following items are required:

- The Fusion Music System's door must be locked.
- You must have the three wing bolts that were provided in the Fusion Music System Accessory Kit.

Following completion of the Barrel Facade installation, you must return to the *Fusion Music System Installation and Setup Guide* to complete the Fusion Music System setup.

Installing the Fusion Music System Barrel Facade

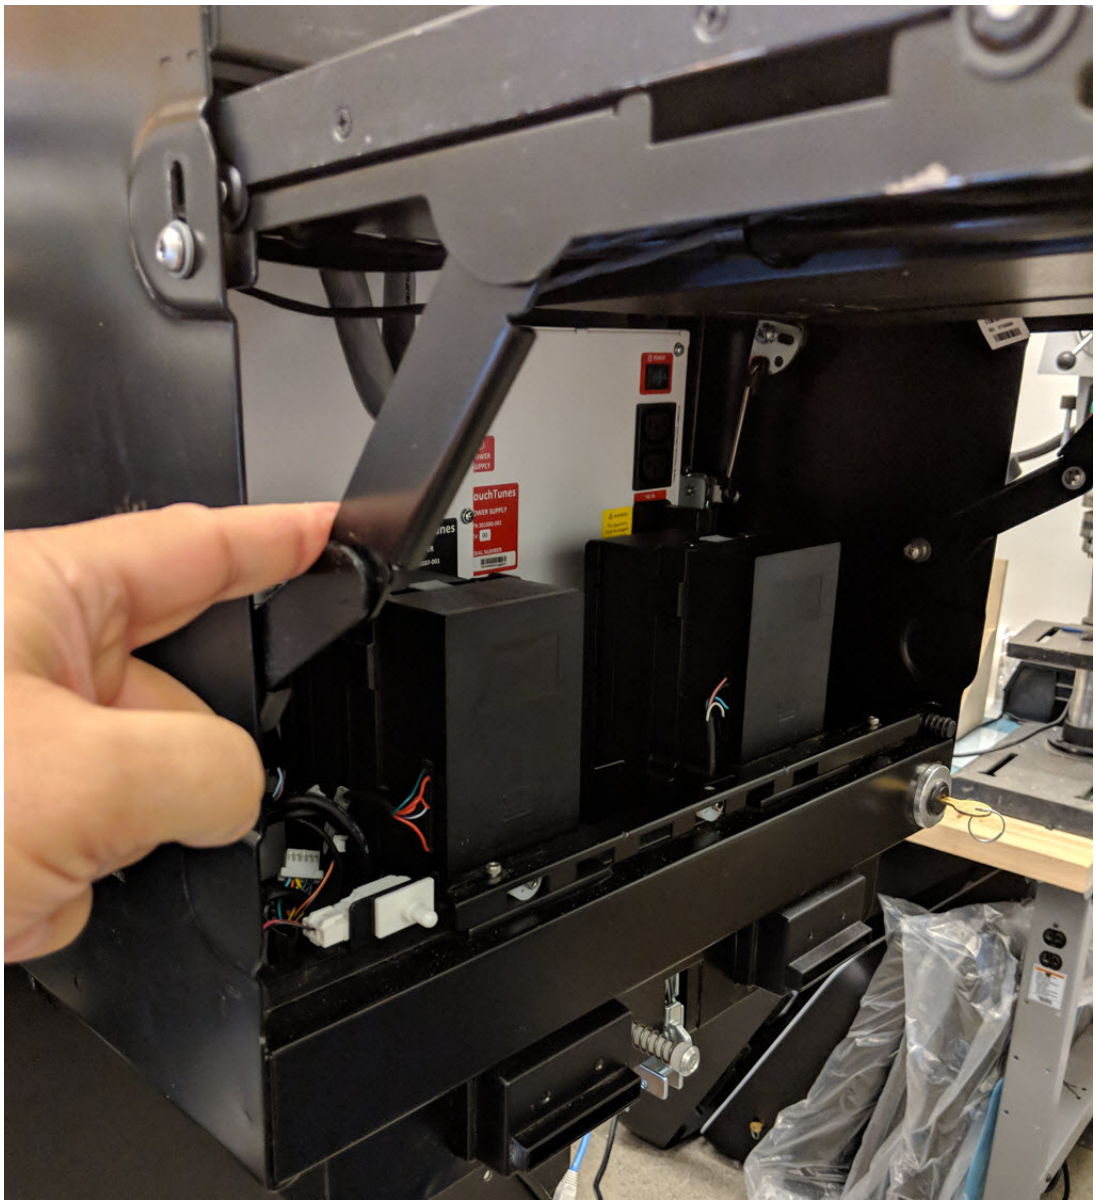
1. Unpack the Fusion Music System Barrel Facade. The facade is delivered with the Fusion Music System in its own packaging.
2. Ensure that the Fusion Music System door is locked.
3. Unlock the Fusion Music System screen and remove the key from the lock.

4. Slide the Fusion Music System screen up slightly from its bottom panel and then lift it out.

Opening the Fusion Music System screen

CAUTION: Be careful not to pinch your fingers when opening and closing the screen brackets.

5. Set the two L brackets on the FMS to the locked position to ensure the screen is secured in the upright position.



Securing the screen in the upright position

6. Place the barrel facade over the FMS so that the screen passes through the opening at the center of the barrel.

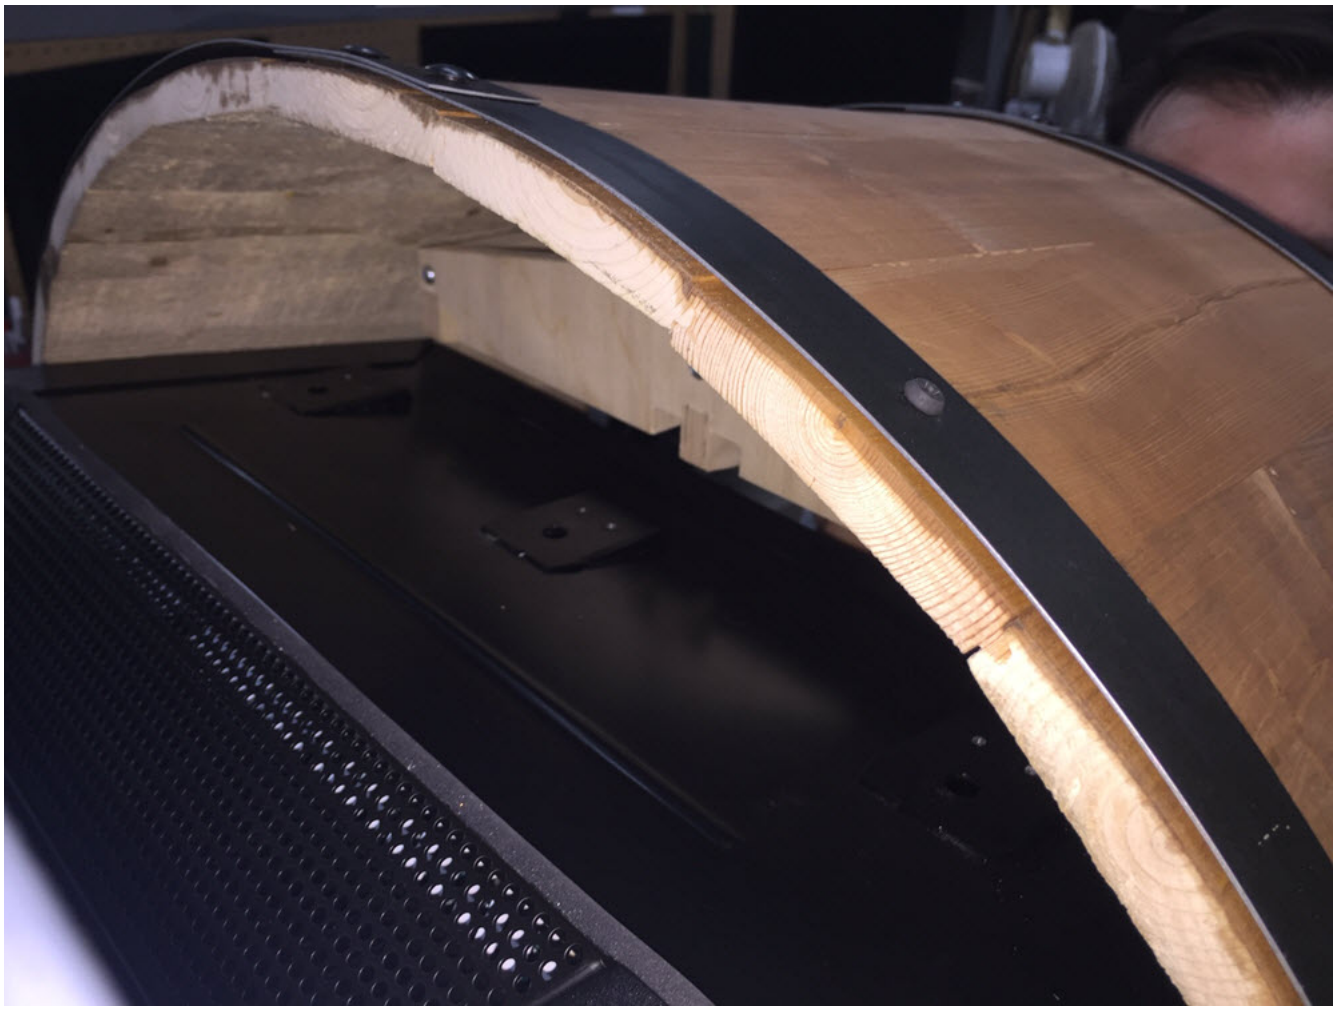
7. Align the wooden struts with the metal plates located on top of the Fusion Music System chassis as you slide the barrel into place.



Aligning wooden struts with metal brackets

8. Make sure that the striker bracket located at the bottom interior of the barrel connects with the rotary latch on the front of the Fusion Music System. The bill acceptor slots must align with the slots (openings) on the barrel.
9. Locate the three wing bolts provided with the Fusion Music System Accessory kit.

10. Secure the barrel to the FMS chassis by hand-tightening the three wing bolts to the top interior of the Fusion Music System. The location of the for the wing bolts corresponds to the location of the metal brackets identified in step 7 (and circled in green in the following figure).

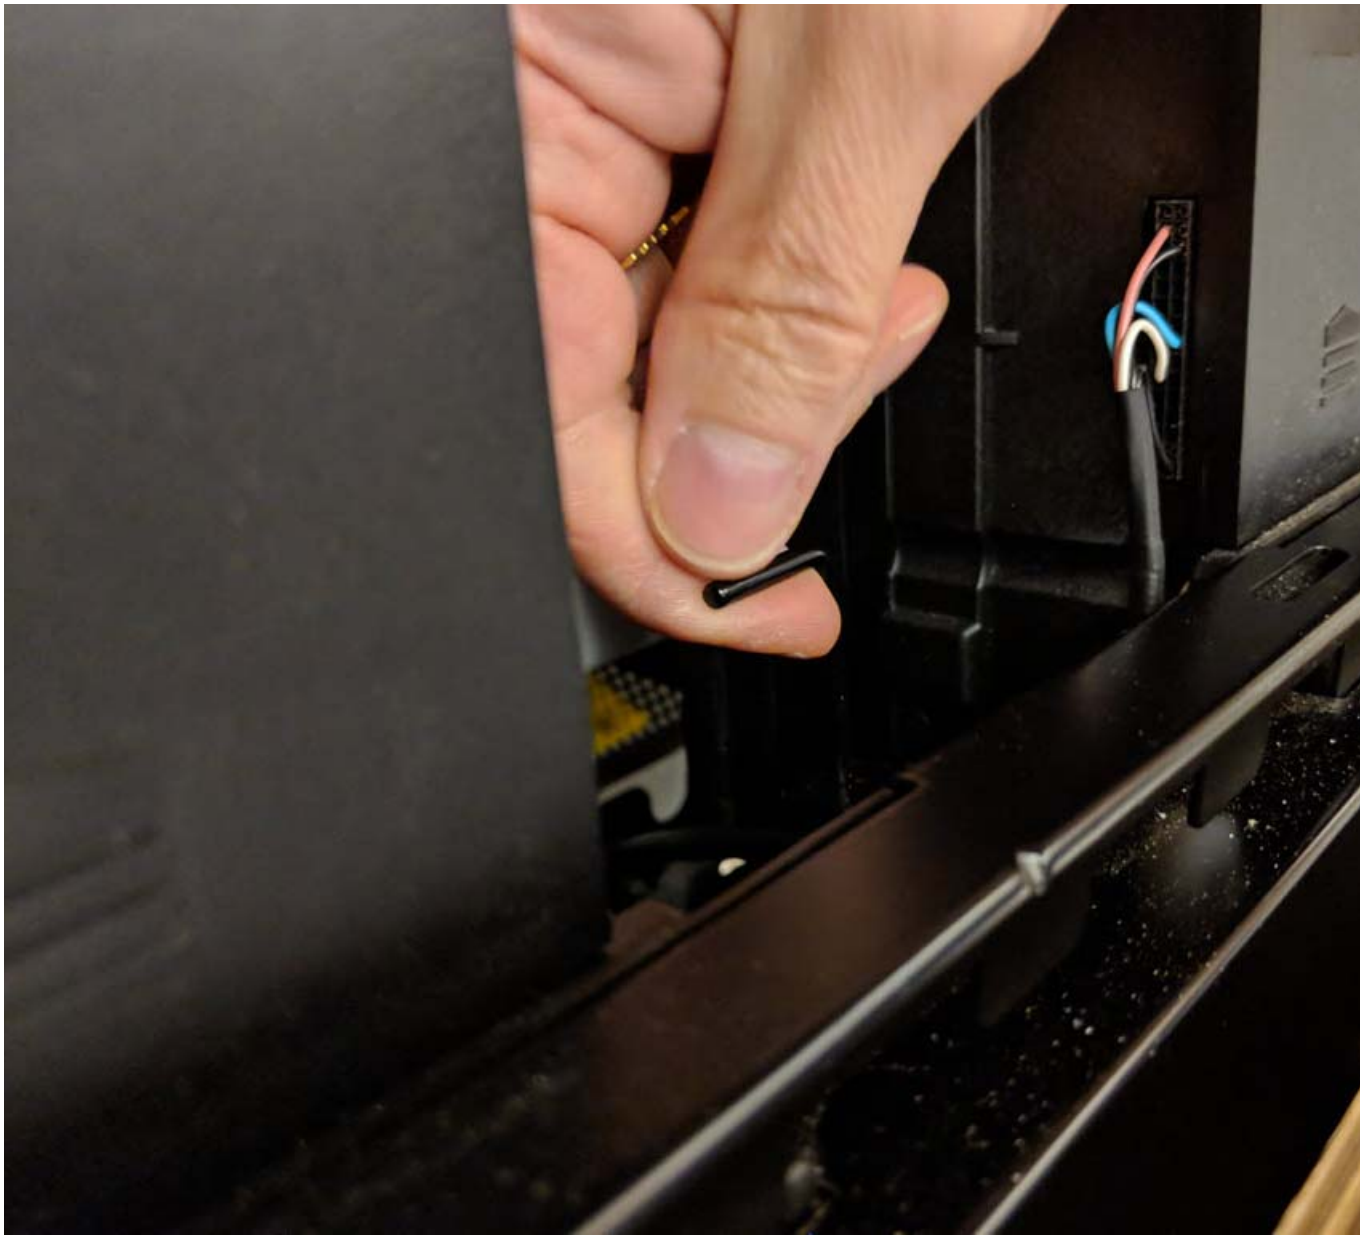
11. To uninstall the barrel, remove these three wing bolts and push down on the latch release (located between the two bill acceptors).



Pulling the barrel latch release mechanism

12. Close and lock the Fusion Music System screen.
13. For first time install of the Fusion Music System, return to the *Fusion Music System Installation and Setup Guide* to complete the installation and setup procedures.
